LIST OF SUCESSFULLY COMPLETED PROJECTS

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
1	Archiving Warehouse, DIP for Emirates NBD Bank	-	Al Gafry Consulting Architects Engineers	Design, Supply, Installation, testing and commissioning of 1.High Pressure Water Mist Pump -110 X 8 = 2 sets 2.High Pressure Water Mist System 3.FM200 System (in Server Room) 4.1000 GPM @12 Bar Horizontal Split case fire pump set 5.Sprinkler System 6.Wet Riser / Hose Reel System 7.Emergency / Exit Light 8.Fire Alarm / Detection System 9.Air Sampling System	MAY2010
2	Burj Khalifa - Lake Fountain Cable Tunnel for EMAAR	BK Gulf LLC	Hyder Consulting Ltd.,	Design, Supply, Installation, testing and commissioning of 1. High Pressure Water Mist Pump -112 X 4 = 2 sets 2. High Pressure Water Mist System	JAN2011
3	Warehouse, Jebel Ali	Danube Building Material FZCO	-	Design, Supply, Installation, testing and commissioning of 1.1000 GPM @9 Bar Split case fire pump set 1. Fire Alarm / Detection System 2. Wet Riser/ Hose Reel System 3. Sprinkler System 4. Emergency & Exit Lights Deluge Spray System	AUG2011
4	G+M Office & Renovation of Elevation, Jebel Ali	SAKAR Power Generati on FZCO	-	Design, Supply, Installation, testing and commissioning of 1.1000 GPM @9 Bar Split case fire pump set 1. Fire Alarm / Detection System 2. Wet Riser/ Hose Reel System 3. Sprinkler System Emergency & Exit Lights	DEC2011

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
5	Warehouse 4 & 6, JAFZA South	Load Star/Steinweg Sharaf FZE	-	Design, Supply, Installation, testing and commissioning of 1. 1500 GPM @10 Bar Vertical Turbine fire pump set 1. Fire Alarm / Detection System 2. Wet Riser/ Hose Reel System 3. Sprinkler System Emergency & Exit Lights	APR2012
6	Abu Dhabi Crown Prince Diwan Office	ALGECO / Abu Dhabi Crown Prince Office	-	Design, Supply, Installation, testing and commissioning of 1. High Pressure Water Mist Pump -112 X 3 = 1 set 2. High Pressure Water Mist System 3. FM200 System & Accessories 4. Fire Hydrant, Hose reel, sprinkler system 5. Detection System	MAR2012
7	Choithram Supermarket@ JAFZA	Chirag Contracting LLC	Al Thuraya Civil Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. High Pressure Water Mist Pump 112 X 3 -1 Set 2. High Pressure Water Mist System 3. Fire Alarm / Detection System 4. High Pressure Jet Hose Reel 5. Sprinkler System 6. Emergency & Exit Lights	APR2015
8	Al Shindaga Service Tunnel @ Bur Dubai, RTA	Al Shirawi FM	-	Design, Supply, Installation, testing and commissioning of 1. High Pressure Water Mist Pump 112 X 5 -1 Set 2. High Pressure Water Mist System 3. Fire Alarm / Detection System	MAY2015
9	Factory, Techno park, Jebel Ali	Orion Construction Comp. / Emirates Extrusion Factory	Extreme Line Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. 750 GPM @10 Bar Split case fire pump set 2. Fire Alarm / Detection System 3. Wet Riser/ Hose Reel System 4. Sprinkler System 5. Emergency & Exit Lights	JUN2015

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
10	Warehouse 1& 2, Jebel Ali	Retail Logistics	Corporate Planners Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. Wet Raiser / Hose Reel 2. Fire Alarm / Detection System 3. Sprinkler System 4. Emergency & Exit Light	JUL2015
11	G+M W/H 1 @ Ras Al-Khor, Juma Al Mansoori	Amar Al Khaleej Construction LLC	Al Khawajah Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @10 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light 6. FM200 System	DEC2015
12	VVIP Lounge, Al Bateen Airport, Abu Dhabi	Plafond / ADAC	Dar Al Handasah	Design, Supply, Installation, testing and commissioning of 1. Fire Hydrant System 2. Wet Riser/ Hose Reel System 3. Sprinkler System 4. NOVEC1230 System 5. Installation of 1000 GPM @ 11 Bar Vertical Turbine Fire Pump set	AUG2015
13	G+M W/H 2 @ Ras Al -Khor, Juma Al Mansoori	Amar Al Khaleej Construction LLC	Pioneers of Experts Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 750 GPM @9 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light	FEB2016
14	Core Lab & Technical Rooms @ Well Services operational Base For Dowell Schlumberger	Green Bridge Contracting	Capital Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. Wet Raiser / Hose Reel 2. Fire Alarm System 3. Sprinkler System 4. FM 200 System 5. Fire Hydrant System	AUG2016

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
15	CMW Facilities 12138 C002	Technowatt Electromechanical LLC	-	Design, Supply, Installation, testing and commissioning of 1. Fire Fighting System 2. FM 200 System 3. Deluge Water Spray System 4. Sprinkler System	JUL2016
16	G+8 Floor Building, Dubai Studio City	Al Hikma Building Contracting	Archen Engineering	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @12 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection & Voice Evacuation System 4. Sprinkler System 5. Emergency & Exit Light 6. FM200 System 7. Foam Extinguishing System (Generator Room)	NOV2016
17	SATWA MEDICAL CLINIC, DHA	Mech-tronic Engineering LLC	-	Design, Supply, Installation, testing and commissioning of 1. 300 GPM@ 12 bar End section Fire Pump Set 2. Fire Fighting System 3. Fire Alarm System 4. Emergency/ Exit Lights 5. Sprinkler System	DEC2016
18	Warehouse & G+2 Office Block	Emirates Wet Wipes FZCO	Free Line Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @10 bar Split case fire pump set 2. Hydrant System 3. Fire Alarm System 4. Sprinkler System	JAN2017
19	G+M Warehouse@ Jebal ali	M/s Bin La hej Contracting	Cenyar Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. 750 GPM @9 bar End section case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light 6. IG 541 Gas Suppression System	AUG2017

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
20	Proposed G+M warehouse ACME	Venture Contracting	Corporate Planners Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 500GPM @8 bar End section case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light	OCT2017
21	Sausage kitchen	M/s. AMIBB Interiors	Zaabeel Consulting Engineers	Design, Supply, Installation, testing and commissioning of 1. 500GPM @8 bar End section case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light	DEC2017
22	Joriki Farms	-	Red Crystal Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @10 bar Split case fire pump set 2. Fire Fighting System 3. Fire Alarm System 4. Emergency & Exit Light	MAY2018
23	B+G+4 Commercial & Residential Building @ Garhoud, Belhasa	Liwa Engineering Services LLC	Design & Architecture Bureau/ DAR	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @10.5 bar HSC fire pump set 2. Fire Alarm / Detection System 3. Sprinkler System 4. Wet Raiser / Hose Reel 5. Emergency & Exit Light 6. IG 541 Gas Suppression System 7. Foam System 8. Pre – Action System	MAR2018
24	Readymix Plant & Office Facilities	Jebel Ali Cement Factory LLC/ Advance Construction Technology	Corporate Planners Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 500 GPM @9 bar HSC fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Emergency & Exit Light 5. IG 541 Suppression System 6. External Fire Hydrant	JAN2018

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
25	Cold Store Warehouse @ DIC, Truebell Marketing & Trading LLC	Silver Home Construction	Corporate Planners Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 2,000 GPM @11 bar Vertical Turbine fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light 6. Foam System 7. IG 541 Suppression System 8. External Fire Hydrant	APR2018
26	G+M office, w/h, Workshop, Workers Facilities, Truck Parking & Service Block DIC, Jebel Ali	Venture Gen. LLC / M/s. Mubarak & Sons	Chawla Architectural & Consulting Engineers	Design, Supply, Installation, testing and commissioning of 1. 1500 GPM @11 bar Split case fire pump set 2. Fire Hydrant system 3. Wet Raiser / Hose Reel 4. Fire Alarm System 5. Sprinkler System 6. Emergency & Exit Light 7. FM200 System	JUN2018
27	Grand Solar-DEWA 800 MW solar plant PH-II	M/s. Acciona	Intec GOPA International Energy Consultants	Design, Supply, Installation, testing and commissioning of 1. 1500GPM @10 bar End section case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. FM200 System 5. Emergency & Exit Light 6. Deluge System for Transformers & Reactor	SEP2018
28	Proposed G+M Show Room, Techno-park	Al Saliheen Construction LLC	Design Integrated Architectural Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 1500GPM @11 bar HSC fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light 6. IG 541 Suppression System	OCT2018

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
29	G+4 Labour Accommodation	M/s. Heilbronn Contracting	EM Square Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 300 GPM @9 bar HSC fire pump set 2. Fire Alarm / Detection System 3. Sprinkler System 4. Wet Raiser / Hose Reel 5. Emergency & Exit Light 6. Foam System 7. Pre – Action System	MAR2019
30	G1+M1+M2- Office & Warehouse @ DWC, E-Freight International LLC	M/s. Span Steel Construction LLC	Winner Holistic Consultants	Design, Supply, Installation, testing and commissioning of 1. 2000 GPM @ 11 bar Split case fire pump set 2. Fire Hydrant system 3. Wet Raiser / Hose Reel 4. Fire Alarm System 5. Sprinkler System 6. Emergency & Exit Light 7. FM200 System	FEB2019
31	G+5 Multi Story Car Parking, Dubai Municipality	M/s. Bhatia General Contracting	Design Center	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @9 bar HSC fire pump set 2. Fire Alarm / Detection System 3. Sprinkler System 4. Wet Raiser / Hose Reel 5. Emergency & Exit Light 6. Foam System 7. Pre – Action System	DEC2018
32	G+M- Office, Warehouse @ DMC	M/s. Venture Contracting	Isometric Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. 1500 GPM @10 bar Split case fire pump set 2. Fire Hydrant system 3. Wet Raiser / Hose Reel 4. Fire Alarm System 5. Sprinkler System 6. Emergency & Exit Light 7. FM200 System	JAN2019

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
33	B+G+1-Commercial Building	M/s. Zabeel Contracting	EM Square Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 500 GPM @9 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm System 4. Sprinkler System 5. Emergency & Exit Light 6. FM200 System	AUG2019
34	Existing storage shed for Rolman	-	-	Design, Supply, Installation, testing and commissioning of 1. 750 GPM @10 bar Split case fire pump set 2. Sprinkler System	SEP2019
35	G+M Building , Al Barsha, Dubai	Al Khattal Contracting	Al Jazeera Architect Engineering	Design, Supply, Installation, testing and commissioning of 1. 750 GPM @9 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm System 4. Emergency & Exit Light 5. Sprinkler System	APR2019
36	Solar Innovation Centre	Al Hoderiya Electromechanical	Al Khawajah Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 1500GPM @12 bar HSC fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light 6. Foam System 7. IG 541 Suppression System	MAR2020
37	Grand Solar-DEWA 800 MW solar plant Ph-C	M/s. JV-GRS-Acciona-Ghella	Intec GOPA International Energy Consultants	Design, Supply, Installation, testing and commissioning of 1. 1500GPM @10 bar End section case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. FM200 System 5. Emergency & Exit Light 6. Deluge System for Transformers & Reactor	MAY2019

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
38	700 MW CSP Project – CT MAF Building	Second Construction Co Ltd China	Capital Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. 400 GPM @10 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light	DEC2019
39	Dubai 700MW CSP Project – Phase IV	Shanghai Electric	Capital Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. 1000GPM @10 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light	DEC2019
40	External Hydrant Works at 66 Townhouse @ Dubai Sports City	KAD Construction LLC	Khatib & Alami	Design, Supply, Installation, testing and commissioning of External Hydrant Network	FEB2020
41	G+4 Labour Accom.	Abna Al Amir Contracting	Al Jawaher Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 50GPM@7bar End Suction Fire pump set 2. Dry Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Emergency & Exit Light	JAN2020
42	G+8+Gym. Residential Building	Jscm Contracting LLC	Proline Engineering Consultants	Supply, testing and commissioning of 1. 750 GPM @11 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Sprinkler System 4. Deluge Foam System 5. Pre-action System 6. Clean Agent System (FM200)	DEC2019
43	Proposed Ground Floor Warehouse	Developer Building Contracting LLC	Image Engineering Consultants	Design, Supply, Installation, testing and commissioning of 1. 50GPM@7bar End Suction Fire pump set 2. Dry Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Emergency & Exit Light	JAN2020
44	Warehouse & Office, Jebel Ali for Euro Blast	-	-	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @10 Bar Split case fire pump set 2. Fire Alarm / Detection System 3. Wet Riser/ Hose Reel System 4. Sprinkler System	DEC2019

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
45	Proposed Residential Building for Fatima Abdulla Ahmad Abdul Hadi & Others	Al Ishrak Contracting LLC	FA Baker Consultants	5. Emergency & Exit Lights Supply, testing and commissioning of 1.750 GPM @11 bar Split case fire pump set 2.Wet Raiser / Hose Reel 3.Sprinkler System 4.Deluge Foam System 5.Pre-action System 6.Clean Agent System (FM200)	JAN2020
46	Ground Floor Majlis (2 Projects), Dubai Municipality	Safwan Contracting	Arch Dome Consulting Engineers	Design, Supply, Installation, testing and commissioning of 1. 300 GPM @8 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Sprinkler System 4. Clean Agent System(FM200) 5. Fire Alarm/Detection System Emergency & Exit Light	AUG2020
47	B+G+1 Commercial & Residential Building	Mohd. Buhalaib a Cont.	Designer East Engineering Consultancy	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @10 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Fire Alarm / Detection System 4. Sprinkler System 5. Emergency & Exit Light	MAR2021
48	Existing Factory, Warehouse & Office	Gulf Food Industries, Americana	-	Design, Supply, Installation, testing and commissioning of 1. 1500 GPM @10 bar Split case fire pump set 2. 1250 GPM @11 bar Split case fire pump set 3. Fire Water Tank 4. Wet Raiser / Hose Reel Sprinkler System	NOV2021
49	G+9+R Residential Building (3Blocks) @ IMPZ	Bhatia General Contracting Company	Federal Engineering Consultant	Design, Supply, Installation, testing and commissioning of 1. 1000 GPM @ 12 bar Split case fire pump set 2. Wet Raiser / Hose Reel 3. Sprinkler System 4. Clean Agent System(FM200) 5. Fire Alarm/Detection Voice Evacuation System 6. Emergency & Exit Light CBS 7. Deluge Spray System LPG Tank	NOV2021

Vision Safety

S.No	Name of the Project	Main Contractor	Consultant	Brief Scope	Year of Completion
50	Infrastructure Work @ Dubai Maritime City	KAD Constructions	Khatib & Alami	Design, Supply, Installation, testing and commissioning of 1.1000 GPM @ 12 bar vertical turbine fire pump set 2. Fire Hydrant 3. Sprinkler System 4. Clean Agent System(FM200) 5. Fire Alarm/Detection System 6. Emergency & Exit Light	DEC2021
51	Proposed 2 Closed Shed, 1 Open Shed & Service Block	AlSerh AlKabeer Construction/ Sharjah Government (Bee'ah)	Deyar Engineering Consultant	Design, Supply, Installation, testing and commissioning of 1. 300GPM @ 9bar VT fire pump 2. Fire Fighting System 3. Sprinkler System 4. Clean Agent System(FM200) 5. Deluge Foam System 6. Fire Alarm/Detection System Emergency & Exit Light System	MAY2022
52	Marriott Hotel (3B+G+13+R) @ Palm Jumeirah	Bhatia General Contracting Company	Consistent Engg. Consultants	Design, Supply, Installation, testing and commissioning of 1. 1000GPM@16.5 bar HSC fire pump 2. Wet Raiser / Hose Reel 3. Sprinkler System 4. Clean Agent System (FM200) 5. Fire Alarm/Detection Voice Evacuation System 6. Emergency & Exit Light CBS	JUL2022
53	Infrastructure Work @ AI Qusais Residential	DX-Contracting	DMF Engineering	Design, Supply, Installation, testing and commissioning of Fire Hydrant Network	AUG2022

LETTER OF ACCEPTANCE

18 August 2010
Our ref: CD-LOA-3063

Vision Safety (L.L.C.)
PO Box 86342
Dubai
United Arab Emirates

For the attention of Mr. S. Pralagati

Dear Sirs

**DOWNTOWN DUBAI DEVELOPMENT
BURJ LAKE FOUNTAIN MEP WORK
MIST SYSTEM**

We refer to your Offer, submitted under cover of your letter ref FA-200022, dated 17 June 2010, for the carrying out and completion of a Water Mist System for the Lake Fountain Cable Tunnel, forming part of the Downtown Dubai Development in the Emirate of Dubai.

We hereby confirm our acceptance of your Offer, subject to your confirmation of agreement to the following:

1. The Contract Sum is UAE Dirhams 4,000,000 (UAE Dirhams Four Million)
2. The Contract Sum is a fixed price lump sum and the Works are not subject to remeasurement.
3. We confirm our acceptance of the Notes, Exclusions and Payment Terms as stated in your Offer.
